

SET CERTIFICATE OF TRAINING COMPLETION

Data Science Workshop

This is to certify that

Jonard Cyrus S. Francisco

has successfully completed the workshop on

Data Foundation & Pipeline Building

conducted on July 5, 2025

Successfully completed comprehensive training in data collection, cleaning, and preprocessing techniques. Demonstrated proficiency in building automated data pipelines for scalable analysis and transforming messy real-world datasets into analysis-ready format. Mastered foundational data science skills essential for professional data analysis workflows.

Florante Sangrenes
Resource Speaker/Trainer
